

# FAIR WEATHER STIMULATES MOTOR TRIPS AMONG EL PASANS SUNDAY

Many Trips to Dam, Las Cruces, Cox's Ranch and One to White Mountains, One to Santa Rita Mountains—Sundays Visited by Many—Down the Valley Also Popular for Motorists—Roads Good, Weather Fine

SUNDAY being a perfect day, El Paso automobiles were spinning over the county in every direction. A few made the trip to Elephant Butte dam, although the majority of parties left Saturday. Huaco Natural park was closed, so there were no auto parties to the natural park. A majority of the auto owners drove up and down the valley, to Fort Bliss and across the river.

The trip down the valley was probably the most popular, as the upper valley roads, or lack of them, prevented many auto parties going toward Las Cruces and the west side valleys. Fort Bliss attracted many Sunday evening because of the first evening band concert at the post. Many drove to Juarez to see the Sunday holiday crowds but the road between Yuma and El Paso and beyond was crowded all Sunday afternoon and early evening. Many went down the Yaleta road and returned by the north loop road while other parties drove down as far as Clint and Fabens. The trip past Fort Bliss to Cox's ranch was also a popular one.

**To White Mountains and Santa Rita.** Two cars of El Pasans motored to White Mountain Inn, above Alamogordo, Saturday and spent the week end. Mr. and Mrs. Henry S. Beach, in their Oakland car had Mr. and Mrs. Harry S. Potter with them. With Mr. and Mrs. Winchester Cooley, in their Cadillac car, were Mr. and Mrs. Fred J. Feldman. They report the roads very good and the trip well worth making.

A. K. Adams in his Buick car with John Barry, Lynn Pomeroy, Claude Ney, Vera Leasure, L. Nelson and Ross Simpson motored to Santa Rita, and Silver City, N. M., Saturday morning. They are expected to return today.

**Big Party to Dam.** A very jolly party of young people, chaperoned by Mr. and Mrs. Harry Sims and Lieut. and Mrs. J. B. Anderson, motored to Elephant Butte dam for

the week end. They left El Paso Saturday morning, spent the night at El Paso, where they enjoyed a dance and spent Sunday morning at the dam, returning in the late afternoon. On the way home they were the supper guests of Mr. and Mrs. Mark Thompson in Las Cruces. The party made the trip in five automobiles. In Mr. and Mrs. Sims' car were Miss Irene Laughlin, Miss Beulah Brown, H. M. Harrison, of San Antonio, and Joe Hole. With Mr. F. A. Wilcox, in his Hudson car, were Miss Virginia Semple, Miss Wanda Rance, Miss Kemp and Miss Brainerd. Capt. E. L. Napier and Miss Camille Kibler were in Capt. Napier's Oakland roadster. Beers joined the party at the dam and returned with them.

Kellogg and Miss Beatrice Pateman drove to Elephant Butte dam Saturday and returned Sunday. The trip was made in Mr. Franklin's Studebaker touring car and Mr. Kellogg's Overland roadster. Near Mesilla Park the transmission of the Studebaker car was broken and the Overland car drove to Las Cruces for a repair man. The party had lunch at Las Cruces and continued the trip to the dam and returned Sunday.

**AT LAST, EL PASO IS TO HAVE SOME REAL ROAD LOGS**

H. B. Rinehart and Harry Locke are preparing to issue in booklet form, a road log with maps of all automobile tours into and out of El Paso. They have already completed the survey of the city and are now ready to begin locating the various roads. The log will show the road down the valley to Yaleta, Clint, Socorro, Fabens, Port Hancock and Sierra Blanca; the road to Huaco Natural park and Sierra Blanca; the road to Alamogordo to Chisos, to Deming, to Las Cruces, Dripping Springs and Elephant Butte dam, also the return trip which many are taking through the Palomas valley from the dam. In fact, every road into or out of El Paso will be shown in the same accurate and careful manner that has characterized Mr. Locke's Arizona road log and Borderland highway log. It is something that has been needed for years, for there are no road maps or logs in existence to any of the resorts about El Paso and in this respect El Paso has been behind other cities of the country.

**FIVE BOYS IN A FORD HAVE SUNDAY SPOILED BY "COP"**

Five angry boys were brought to the city Sunday night by a policeman. They were Tom Clements, Donald Light, Huck Buckler, Jack Oiler and Oscar Rheinheimer. These boys rent a Ford car each Sunday from a local garage. Sunday they rented a car and made the trip to Las Cruces by way of Cox's ranch and San Augustine pass. On the return someone telephoned to the El Paso police that five boys had been with an auto.

When they reached the city the policeman took them in charge and it took some time to get them to the garage to prove that they had rented the car.

**GOPHERS CUT DITCH AND FLOOD LOWER COUNTY ROAD**

Gophers are supposed to have been responsible for a break in the irrigation ditch between Yaleta and Clint Sunday. Water from the ditch cut under the county road and caused a break in the road paving which held up a number of autos. The break was repaired and the road put in shape for crossing the broken part by a force of men put to work soon after the break was discovered.

**GOLDEN ROD** is sweet, pure and clean and all stock dealers love it. Try a sack and see. Walter S. Clayton, Agent.—Advertisement.

**CIVIL SERVICE PHYSICIANS.** Announcement is made that reputable practicing physicians willing to execute medical certificates in connection with civil service examinations, at the minimum charge of \$2 may file their names with the secretary of the local civil service board in El Paso or the secretary, 1013 civil service district, New Orleans, La. Applicants making inquiry as to physicians executing medical certificates will be advised of the names of those listed.

When human brains become more enlightened, there may be a need equal to GOLDEN ROD, but we doubt it. Walter S. Clayton, Agent.—Adv.

It ain't no figure of speech when a fellow says he gets "stung" with a poor tobacco. Try some VELVET—with every trace of sting mellowed out of it.

ANYTHING that is seasoned quickly by an artificial process is not truly seasoned—whether it is a piece of wood or a tobacco leaf.

VELVET is the mellowest of smoking tobaccos, because it is mellowed in the only way anything can be mellowed—Nature's way—by time.

Only the best of Kentucky's Burley crop—that is, the best of the world's best pipe tobacco—is selected for VELVET.

Two years this tobacco matures in great wooden casks, so that the peculiar fragrance and rich mildness of the Burley shall be brought out to the full in VELVET.

Once taste a pipeful of VELVET, The Smoothest Smoking Tobacco, note its cool, slow-burning qualities, and you will understand why VELVET smokers are increasing by thousands.

**IOWA WOMAN TELLS OTHERS**  
How Lydia E. Pinkham's Vegetable Compound Carried Her Safely Through Change of Life.

Cedar Rapids, Iowa.—"At the Change of Life the doctor said I would have to give up my work and take my bed for some time as there was no help for me but to the still. I took Lydia E. Pinkham's Vegetable Compound and kept up my work and now I am over the Change and that is all I took. It was better for me than all the doctor's medicines I tried. Many people have no faith in patent medicines but I know this is good."—Mrs. E. J. Ruckers, 354 8th Avenue, West, Cedar Rapids, Iowa.
